Lightweight Title Match Chances Fade

NEW YORK (AP) — The proposed lightweight championship fight between Titleholder Carlos Ortiz of Cuba and No. 1 contender Kenny Lane of Muskegon, Mich., became more impossible than ever Monday when Ortiz advisor said he has received no offer for such a fight.

"We have received no bonafide offer to fight Lane," said Bill Daly, who handles Ortiz affairs. "I keep hearing that Lane wants to fight us. Where is the offer?"

Lane's manager, Pete Petrolaty, has been insisting that Ortiz live up to an ultimatum handed him by the World Boxing Association to sign for a championship bout with Lane before June 2 or forfeit the title.

In this, he is backed by Michigan Athletic Commissioner David Gideklky who insinuates he will pull the state of the WBA unless that organization cracks down on Ortiz.

The village will become a part of the vast university complex, 5 miles from the center of the city.

Gordon, who was popular with the fans as a player for the Barons, had been with the club since 1951. He became coach in 1956 and added the duties of general manager after former manager Jim Hendy died in 1961. Fred Glover took over the coaching job last season.

Gordon said he was disappointed that the board of directors had not renewed his contract, even though he had submitted his resignation effective April 30. He said his resignation was not accepted at that time.

Colgate Beaten By St. Lawrence

HAMILTON— Colgate outhit visiting St. Lawrence, 12-5, but the Larries made their safeties count as they edged the Red Raiders, 5-4 in baseball Monday. The defeat was Colgate's ninth straight and 11th in 12 games this season.

Catcher Dick Metcalf supplied the power in the St. Lawrence attack, delivering two long doubles that drove in four runs. Metcalf's first two-bagger in the fourth inning broke an Brian Edgerley's shutout and gave the way for a three-run outburst in the fifth. His two-run double brought home what proved to be the winning runs.

Colgate also broke into the scoring column in the fourth. Mike Zoszkiewicz hammered a triple to right center and scored when the Larries' shortstop bobbled Garry Supples grounder. Supple went to second on that play and came home on Dave Yorgatis' ninth-at single in left.

The Raiders put together four singles in the fifth but were able to produce only one run. Kasielnik struck out with the bases loaded for the third out.

Yorgatis unloaded a 375-foot home run over the left field fence in the sixth to pull the Raiders to within a run of the Larries.

Pilote First Hawk to Win NHL Award

MONTREAL (AP)—Pierre Pilote, a clever playmaker who also can dish out an effective body-check, became the first Chicago Black Hawks' player Monday to win the James Norris Memorial Trophy as the National Hockey League's outstanding defenseman.

Pilote, 31-year-old captain of the Hawks and a veteran of eight hockey seasons, collected 66 points in the 1962-63 ballotting by hockey writers and broadcasters in the six NHL cities.

Carl Brewer of the champion Toronto Maple Leafs was second, with 51 points followed by Tim Horton, also of the Maple Leafs, with 57.

Others to earn points were Bill Gadsby, Detroit, 25, Doug Harvey, New York Rangers, 14, Gump Worsley, Montreal, 11, Marcel Pronovost, Detroit, 7, Doug Barkley, Detroit and Lou Fontinato, Montreal 3, Doug Mohns, Boston, 4; Allan Stanley and Kent Douglas, Toronto 3, Leo Boivin, Boston, 2 and Al Langlois, New York, 1.

Pilote is the only fourth player to win the Norris Trophy since it was presented following the 1953-54 campaign. Harvey captured it six times while playing for Montreal and once while with the Rangers. The other winners were Red Kelly, with Detroit in 1953-54, and Tom Johnson, with the Canadiens in 1955-59.

Pilote a 5-foot-10 178-pounder, was runner-up to Harvey in last year's vote. He will collect $2,000 for winning the trophy—$1,000 for leading in the over-all vote and $1,000 more for heading the balloting in each half of the season.

Perfect Game Twirled by Moravia Boy

MORAVIA — Mike Powers, 17-year-old right-hander, pitched a perfect game Monday, snapping Union Springs' two-year winning streak and gaining the fifth victory in six games for Moravia.

Powers, 5-11 and 175 pounds, struck out 12 of the 21 batters he faced, while the other nine were retired on routine plays.

In winning, Moravia handed Union Springs pitcher Fred Gardner his first setback in high school competition.

Jerry Ostrander collected two singles and a triple to knock in two runs for Moravia, while Chuck Bitner singled and doubled.

Driver Unhurt As Rear-Engine Racer Piles Up

INDIANAPOLIS (AP) — Driver Sol Cheesbourg of Tucson, Ariz., escaped injury Monday in a wreck that probably took one of five rear-engine Thompson cars out of the 500-mile Memorial Day race.

Cheesbourg lost control leaving the southwest turn at the Indianapolis Motor Speedway, spun six times and hit the outer concrete wall six times over a distance of 500 feet.

The car was badly damaged, but the wreck answered the question of drivers who had been fearful of what would happen if one of the year's 11 rear engine entries hit something at high speed. Nothing was pushed onto the driver.

While owner-builder Mickey Thomson of Long Beach, Calif., was having bad luck with the Chevrolet-powered car, a rear-engine Lotus-Ford came close to the track record of 150.728 miles an hour set by Parnelli Jones in last year's time trials.

Grand Prix driver Dan Gurney of Costa Mesa, Calif., wheeled the cigar-shaped Lotus-Ford around the 2½-mile track at 149.975 m.p.h. He turned two other practice laps at more than 149.

Gurney and two other Grand Prix drivers at the Speedway—1962 world road-racing champion Graham Hill of England and Jim Clark of Scotland — will race Tuesday for a race Saturday in England. They'll hurry back and forth to get in four more days of practice before "500" qualifications start May 18.

Pitchers Shine

Bob Dempster struck out 16 and allowed three hits as East Syracuse-Minoa defeated Baldwinsville 3-0, in a junior varsity baseball game yesterday. Loser Bill Willyard struck out 13 and also gave three hits.

THE OTHER SIDE OF THE Czechoslovakia story, where an Iron Curtain has been erected at the south end of the lake to make it even more difficult to put a boat on the water, is summed up neatly by a shoreline landowner there.

"I just picked up three bushel baskets of bottles and cans on my property," he said. "Can you blame me for not being too happy about having people do things like that to my land?"

No, you can't.

FARM POND OWNERS MAY wish to apply for a free farm fish pond license so that they may have better leeway in the management of their ponds. Applications should be made to either of the two regional offices in Cortland or Watertown in care of the Regional Fisheries Managers, Arch Petty or Bill Pearce, respectively.

The predominant problem with most such ponds is that not enough fish are taken out and the crop becomes stunted. The special licenses, which last for five years, allow the owners to net or trap excess fish.

Paul Kelsey, senior wildlife biologist out of the Cortland office, reports that in a properly proportioned bass and bluegill pond the right ratio for harvesting fish is one bass for each 15 bluegills.

And May is the month for blue gills.

SHOTGUN FANCIERS AND just plain scatterbrained shooters should be interested in the new 301-page book, "The American Shotgunner," by Francis E. Sell. Designs, makes, gauges, stocks, bores, choke, pointing, leading, swinging, loads, patterns, handloading, care and cleaning are covered in detail.

The price is $6.95 and copies are available at book stores, sporting goods outlets or from The Stackpole Company, Harrisburg, Pa.

TALKING ABOUT SHOTGUNS reminds me of a pair of partridge I surprised while on a late April fishing jaunt. I was cutting around the edge of a woods to reach another section of the stream when I came upon the two birds in the midst of a patch of young shoots around a marshy spot hole.

The first bird flew off, presenting that guaranteed unmissable shot always seen during the off season, but the second froze in the middle of the meadow waitpot. It probably hoped that I wouldn't see it.

The suspense, however, became too much for the bird and it took off in a shower of fine spray. It didn't appear that the partridge were feeding on the new greens so it may have been that they were taking a bath.

Come to think of it, it was Saturday.
